GENERAL AND REVENUE DEPARTMENTS.

Sir,

Adverting to your docket
No: 2096/2179 of the 1st. ultimo requesting
to be furnished with the records of enquiry
held by a Senior Police Officer specially
deputed to examine into the complaint
made by pensioned Quarter Master :-
Sergeant D. G. Blay regarding the alleged
miscarriage of justice in connection with a
case against a butcher at Whitefield for
using false weights, I have the honor
to submit herewith copy of a Memorandum
dated 18th instant from the Superintendent
of

of Police, Bangalore, received with the Bangalore
Deputy Commissioner's No: 167 of the 19th Idemth and
to state that the facts of the case are clearly
set forth in the Memorandum in question. The
case under reference being a noncognizable
offence; the powers of a Police officer are
limited as regards its investigation. The law
gives him authority to search or inspect a place
for weights, measures or instruments for weighing
which are false and on seizure of such weights
to report the same to the Magistrates (vide
Section 15-3 of the Criminal Procedure Code). The
Duffadar has in my opinion done what is
required of him by law and if the
Magistrate has failed to take further action,
the Police cannot be held responsible. I
refrain from giving any opinion about
the order of the 2nd class Magistrate who
dismissed the case without taking any evidence,
as it is beyond my province to do so. The
District Magistrate is the proper
authority

authority to comment on the same. Copy
of the Magistrate's order is however, also
inclosed for ready reference.

I have the honor to be,
Sir,

Your most obedient servant,

T. M. n. Singh
Inspector General of Police.

Memo.

I have gone carefully into this matter and find that Sergeant Blay has absolutely no grounds for complaint against the Station House Officer (Duffedar) of Varthoor, who, from the records, went out of his way to help Sergeant Blay in his complaint against the butcher.

The facts of the case are as follows:-

On the 19th of June last Sergeant Blay wrote to the Station House Officer of Varthoor asking him to call at his house at Whitefield or to depute a constable to do so as he had seized the scales of the mutton butcher. "The beam of which was $3\frac{1}{4}$ " of an inch longer at one side than the other by means of which he can cheat the public of about six ounces every time he weighs

weighs on the scale

As the Station House officer was absent at the time from Varthoor, on detective duty in connection with a case of theft, 1st class Constable Jamal Khan went to Sergeant Blay's house in response to his letter. Sergeant Blay showed him the scales and told him that he would retain them in his possession pending the arrival of the Duffedar.

The Duffedar returned to the Station on the evening of the 22nd June and learning from Constable Jamal Khan of Sergeant Blay's letter he proceeded to the latter's house the next day (23rd June) and taking charge of the scales had them tested in the presence of Sergeant Blay
and

and a Panchayat, and found them short by an ounce (or the weight of Rs. 2/- to a pound.

The seizure of the scales was duly reported to the Taluk 2nd. class Magistrate in accordance with Section 153 C.P. C by the Station House Officer, who also submitted a written report of the facts of the case (perusal of which is invited, and filed with it Sergeant Blay's report and statement together with the Mahagar, and, as an offence under Section 264 I.P. C was non-cognizable by the Police, prayed, that the necessary process against the accused may issue and also for summonses for the appearance of the witnesses concerned producing at the same time the scales in question.

The Taluk Magistrate recorded on oath the statement of the Duffedar who recited all the facts of the case

Case as will be seen from the Magisterial Proceedings and after having the scales tested by the Shroff of the Taluk of Treasury and finding them to be only $\frac{1}{2}$ an ounce (or the weight of one Rupee) short in the pound. Which in the Magistrate's opinion was an inappreciable difference - declined to issue the processes prayed for and dismissed the Complaint under Section 203 Cr. P. Code as he did not consider under the circumstances that the scales were false "and much less that they were used by the accused with fraudulent intent."

These are the facts of the case and it will be seen from them that Duffadar Rapiak has acted throughout in a perfectly straight manner. [If there is any body to blame

at

13

at all it is the Amildar - Magistrate for his very summary disposal of the charge. It would have been better if he had gone into the matter, heard the witnesses etc., and then determined the guilt or otherwise of the accused. He has not even recorded the fact of the scales having been examined and tested at his instance, by the shroff.]

Whatever might have occurred between the butcher and Sergeant Blay (vide para 2 of his letter to the Resident) it affords no basis whatever for his statement in para 8 of his letter that "no doubt the bribes that were so freely offered to me may have been found more acceptable elsewhere" (meaning the Duffedar), which statement appears to be defamatory and libellous and wholly unjustifiable. Duffedar Papayya has hitherto borne a very good character

ND

and is a steady and ¹⁶⁸hardworking man. He was specially selected for the charge of Varthoor (within the limits of which the White-field settlement is situated) on account of his good character, obliging manner and knowledge of English and I find it difficult to believe that he spoke in a bawling tone to Sergeant Blay (vide para 3 of his letter) as it is so foreign to his nature.

The entire Police and Magisterial records connected with this matter are put up for reference and obliging return when done with.

Order

The Police Duffedar of Varthoor produces a weighing instrument and swears that it was being used by one Bahudeen of Varthoor for weighing mutton. The Duffedar alleges that the instrument is a false one as the needle is not right in the centre of the beam. It was tested in the Court and found to be correct. It is of course not very accurate but the difference is inappreciable. I do not therefore consider it to be a false instrument and much less that it was being used by the owner with a fraudulent intention. As therefore no offence seems to have been committed in respect of the scale pan before the Court, the complaint is dismissed under Section 1203 C. P. C.

The

The instrument may be restored
to the owner.

The Officer in Charge
Southwark Police

Dear Sir,

I shall be much
obliged if you will be so
good as to call at my house
to depute one of your
constables to do so. I have
taken charge of the Mutton
Nitches scale. The beam
of which is $3\frac{1}{2}$ " longer at one
side than the other by means
of which he can cheat the
purchaser out of about 6 ounces
each time he weighs one.
The scale. If you come he
yourself I shall be glad
to point out and explain
the mode of cheating to you.
Yours faithfully,

found a piece of lign attached to
the short end of the beam which
ruined the scale to balance. There

The Butcher who came from
Virtool on the 19 inst. gave me 14
lb Mutton on his scale, but when
I checked weighed it on my scale
I found it over 4 ounces short.
Examined the beam of his scale
in his presence and found it to
be $\frac{3}{4}$ inch longer on one end
than the other. The mutton was
weighed on the longer end hence
the mode of cheating. I took
charge of the scale and at once
despatched a report to the Village
Police. Today (23. 6. 02) the Duffa
came and took charge of the
scale from me before the purchase
and examined it and found ^{the} ~~it~~ ^(making a difference of 7 1/2 lbs) to
be $\frac{3}{4}$ inch wrong in the beam. Made

has made this step compulsory.
If he sells 32 lbs of meat per day,
gives 2 lbs of Aimas 5 so in
a year he cheats Rs 114.1.0 and
he has been supplying the

no grounds for complaint against
the Station House Officer (Duffadar) (16)
of Vanthoor, who, from the records
of the case, ^{appears to have gone} ~~has~~ out of his way
to help Sergeant Clay in his
complaint against the butcher.
The facts of the case are briefly 2.
as follows:—

On the 19th June last, Ser-
geant Clay wrote to the Station
House Officer of Vanthoor asking
him to call at his house at
Whitefield or to depute a Con-
stable to do so as he had
seized the scales of a mutton
butcher, "the beam of which was
" $\frac{3}{4}$ of an inch longer at one side
than the other by means of which
he can cheat the public of about
six ounces every time he weighs
"on the scale." As the Station House
officer was absent at the time on

Sir,

Adverting to your letter
No. 4091 dated the 26th July 1902,
forwarding a copy of a complain
preferred to the Honble the Resider
by Pensioned Quarter Master
Sergeant D.G. Clay in connection
with a case of using false weights,
I am directed to state that the
Superintendent of Police, Bangalore
District, who was deputed to en-
quire into the matter reports
that Sergeant Clay has absolutely

30/9/02

S. 45/111

other duty, 1st class Constable
Jamalkhan went to Mr. Day's
house ^{who} where he was showed ^{him} the
scales, ~~which the latter told him~~
Day, however, ^{the same}
that he would retain in his
possession pending the arrival of

the Duffadar. The Duffadar
returned to the Station on the
evening of the 22nd June and
learning the facts ^{from the Constable}, proceeded to

Arrest Day's house the next day, &
taking charge of the scales, had
them tested in the presence
of ^{the latter} ~~Sergeant~~ Day & a Pandayat
& found them short by an
ounce to a pound. He next
reported the seizure of the
scales to the Amildar and
2nd class Magistrate of Bangalore
under section 153 of the Criminal

Procedure Code, and as the offence
under

disclosed (S. 264 S.O.C.)
under reference being non-Conf. / P.S.

-nizable, prayed for the issue of
~~necessary~~ process against the

accused. The Taluk Magistrate

~~thereupon~~ recorded on oath the

statement of the Duffdar, who

recited ^{all} the facts of the case, and

after having the scales tested by

the Sheriff of the Taluk ^{in Court and finding them correct} and dis.

-missed the complaint under

Section 203 Criminal Procedure Code remembering

on the ~~difference~~ ^{the scales were not very accurate, but that} ground that the deficiency

~~difference~~ ^{is} was inappreciable. ~~and~~

that he ~~does~~ ^{is} not consider the

scales as false and worthless

H.R. 11-3

that they were used by the driver

with a fraudulent intention. A

Copy of the Magistrate's order is

herewith enclosed for information.

Thus ^{in the present case} it ~~may be seen~~ that

Has the Magistrate
 wrong in taking the
 Daff's st as that
 of Comp 5? I would
 prefer the following:

3. The case having been
 disposed of in accordance
 with the provisions of law, there
 was nothing to prevent
 the Complainant, if soad-
 vised, to move the Magis-
 trate of the District to exer-
 cise his ~~powers of revision~~
~~under S. 437 of the Crimi-~~
 nal Pr Code. I am to
 state that after a perusal
 of the ~~papers~~ records, the
 Darbar do not consider
 the case of sufficient
 importance to take fur-
 ther steps on their own
 initiative.

P.T.O.

The Duffadar appears to have
 done what was required of
 him by law and to have
 been free from blame in
 every way. The Amildar-
 Magistrate, however, should
 not have dismissed the com-
 plaint summarily without re-
 corded any evidence, and this
 circumstance has now been
 brought to the notice of the
 District Magistrate with a view
 to his exercising his revisional
 powers under section 437 of the
 Criminal Procedure Code, should
 he find cause to do so.

of Bangalore, with the request
that ~~the~~ action may, if there
be no objection, be taken under
